

SHORT-TERM CERTIFICATION COURSES IN DIGITAL MARKETING

Designed for Career Aspirants, Working Professionals, Business Associates, Business Managers, Team Leaders, CTOs, CXOs and Entrepreneurs with in-depth consultation and feedback of senior Digital Marketing practitioners and leaders from the industry.

The **Bengal Chamber of Commerce & Industry (BCC&I)**, in association with **Seven Boats Academy**, is offering courses in Digital Marketing which are designed for Students to acquire job-ready professional skills, Marketing and Brand Managers to upgrade skills, Corporate professionals and business owners to get in-depth knowledge so that they can navigate the digital world and make sound, data-driven decisions.

Digital Marketing has been pursued by businesses even more aggressively due to the COVID situation and it's changing the dynamics of Marketing as a whole. Businesses no longer can afford to carry on with their tried and tested traditional business models as threat of being disrupted is looming large. There are two ways forward. Either the businesses try to compromise with the situation and dwell in uncertainty or they embrace Digital Marketing and gear up to develop superior understanding to compete and grow their enterprises.

It is in this backdrop The Bengal Chamber and Seven Boats Academy are offering these courses - so that the corporate workforce is suitably equipped with the skills of the digital age.

About

The Bengal Chamber of Commerce and Industry (BCC&I)

THE BENGAL CHAMBER

The Bengal Chamber of Commerce and Industry (<https://bengalchamber.com/>), is one of the oldest institutions of its kind tracing its origins to 1833. The Chamber has played a pioneering role as a helmsman, steering the evolution of Commerce and Industry in India.

The Chamber has a vibrant IT Committee comprising of the leading developers, consultants, corporates, academia. Startups have also been included. The focus has always been to communicate and create a bridge between the technology users and the developers on how the synergy may be enhanced with disruptive innovations. The Chamber's annual Business IT Conclave (BITC), a must attend do for techies, creates a platform for the stakeholders of technology including the providers, users, academia, incubators and Startups to network, interact, brainstorm and share best practices on the emerging technologies and their applications.

There is always constant focus of connecting the stakeholders with larger markets through dedicated B2B and B2G Meetings in partnerships in Embassies and Consulates in India, bilateral Chambers of Commerce and other similar organizations.

The Chamber has set up Webel-BCC&I Tech Incubation Centre to encourage entrepreneurship and facilitate deserving potential entrepreneurs a platform to initiate Start Ups which would be a contribution to the Startup Movement of the State. The incubates are provided mentorship by the Mentor Group and Chamber's experts on the domain knowledge and ancillary areas of business like Taxation, Legal and IPR and others. The viable businesses are connected with financiers and collaborators.

The Chamber over the years have successfully delivered value added workshops and short- term certificate courses which were specifically designed and tailor made in keeping with the needs of the industry.
