ABOUT THE BENGAL CHAMBER OF COMMERCE AND INDUSTRY

(<https://bengalchamber.com/>)

The Bengal Chamber of Commerce and Industry, one of the oldest institutions of its kind tracing its origins to 1833, has played a pioneering role as a helmsman, steering the evolution of Commerce and Industry in India. The Chamber reviewed and commented upon some of the most critical legislations in the country. The Chamber has stayed relevant close to 200 years by adapting to the changes and delivering to the need of the Industry.

Today, The Chamber is deeply involved in areas like Manufacturing & MSME, Agriculture and Rural Development, Infrastructure, Shipping & Logistics, Trade Fairs & Trade Promotions, Healthcare, Information Technology, Technology Incubation Center, Education, Energy and Environment, Finance and Banking, Economic Affairs, Corporate Governance, Marketing, Brand & Media, People Management, Entrepreneurship, Skills, Legal, International Trade, Next Gen Packaging, Tourism, Hospitality, Heritage, Lifestyle, Films, Music & Entertainment to name a few and has now assumed a multi-faceted role. The Bengal Chamber, also, has been playing an increasingly active role in the realm of its ever expanding overseas engagements.

For close to two decades, BCC&I is providing leading forum towards Climate Change mitigations. A continuous endeavour has been to focus on sustainable development and to disseminate information and educate business, industry and society about the need for balancing industrial growth with ecological stability at district, state, national and international levels. BCC&I, perhaps the only Chamber of Commerce, who was selected to present a 90 min Session on "Accelerating Electric Mobility with Green Jobs and Gender Parity" at the Green Zone of COP26 in Glasgow in November 2021. The Chamber's annual signature Environment and Energy Conclave) has been Eastern Region's largest forum on sustainability, corporate climate action with participation from Industry, Government, Climate Scientists, Overseas Country Delegations, Youth representations and Civil Society.

The Chamber organizes regular workshops for its members and stakeholders in critical areas like Decarbonization, Environmental, Social and Governance (ESG); Waster Management; Sustainable Supply Chain, Circular Economy among others. For these initiatives, the Chamber partners with varied organizations like Texas A&M University, Indian Institute of Materials Management (IIMM) Kolkata, PricewaterhouseCoopers Pvt Ltd (PwC), Deloitte and others.
