

## The Bengal Chamber

The Bengal Chamber of Commerce and Industry, one of the oldest institutions of its kind tracing its origins to 1833, has played a pioneering role as a helmsman, steering the evolution of Commerce and Industry in India. The Chamber reviewed and commented upon some of the most critical legislations in the country. The Chamber has stayed relevant close to 200 years by adapting to the changes and delivering to the need of the Industry.

Today, The Chamber is deeply involved in areas like Manufacturing & MSME, Agriculture and Rural Development, Infrastructure, Shipping & Logistics, Trade Fairs & Trade Promotions, Healthcare, Information Technology, Technology Incubation Center, Education, Energy and Environment, Finance and Banking, Economic Affairs, Corporate Governance, Marketing, Brand & Media, People Management, Entrepreneurship, Skills, Legal, International Trade, Next Gen Packaging, Tourism, Hospitality, Heritage, Lifestyle, Films, Music & Entertainment to name a few and has now assumed a multi-faceted role. The Bengal Chamber, also, has been playing an increasingly active role in the realm of its ever expanding overseas engagements.

## Energy and Environment

A continuous endeavour of BCC&i has been to focus on sustainable development and to disseminate information and educate business, industry and society about the need for balancing industrial growth with ecological stability at district, state, national and international levels.

BCC&i is taking up emerging relevant issues like decarbonization, Environment Social Governance (ESG), efficient water management and others with befitting focus.

The objectives of the Initiatives of BCC&i in energy, environment and resource efficiency space are:

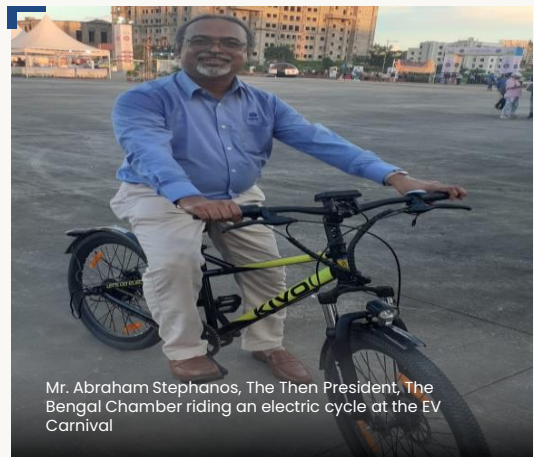

- Promoting energy efficiency through training, auditing and advocacy and to be the preferred forum for discussing environmental and climate challenges and mitigation actions and act as a think tank for policy advocacy at national & international levels
- Organizing outreach programmes on ecological sustainability in the industrial regions bringing together the stakeholders including policy makers and industry leaders to brainstorm and share the best practices and cutting edge technologies to take forward the industrial development with adequate fortification towards vulnerability of ecology
- Connecting with the young minds through state level and national level competitions

BCC&i works extensively with stakeholders and also overseas partners including embassies, overseas chambers of commerce, academic institutions and others.

## Incubation

The WEBEL-BCC&i Tech Incubation Centre is a joint initiative of The Bengal Chamber of Commerce & Industry and West Bengal Electronics Industry Development Corporation (WEBEL) supported by Bandhan Konnagar (a CSR implementing organization of Bandhan Bank Ltd.). The Chamber started the journey of incubation of technology startups in 2019. Eventually other corporates like Hewlett Packard Enterprise, Web Prism IT Solution, Google Cloud, Amazon Web Services, 100X.VC and Seven Boats have also joined this initiative with varied offerings. The main objective of the incubation centre is to create an ecosystem that will foster, support innovation and knowledge-based entrepreneurship in leading to the creation of wealth, employment and social value through successful ventures. From the inauguration of this incubation centre on 1st June 2019, till date we have incubated a total of 82 Start-ups. The Incubation Centre has a total capacity of 16 seats. The center also provides virtual incubation. At present there are 18 incubatees associated with the centre.

One of the primary offerings of the Webel-BCC&i Tech Incubation Centre to the associated Startups is providing them with platform in the national level seminars/conclaves organized by The Bengal Chamber to showcase the Startups in a larger forum so that they get the exposure and opportunity to network with marquee speakers and eminent leaders of the industry and also a larger network.

The Bengal Chamber organized a special Pitching Session for its Startups in presence of Shri Babul Supriyo, Hon'ble Minister-in-Charge, Information Technology and Electronics Department, Government of West Bengal and a dynamic assembly of VCs and Angel Investors during the Inaugural Edition of "Tech-E Summit" 2023, on 3rd and 4th August 2023 in Bengaluru.

## IT and IT Entrepreneurs & eCommerce

The Chamber is deeply connected with Tech Industry. The Chamber has a dedicated IT Committee under the aegis of which vibrant initiatives are taken up, which over the years, bring together technology providers, users, academia, startups, incubators, policy makers and the other stakeholders of technology to share applications, disseminate knowledge on cutting edge technologies, network and exchange dialogues for collaborations. Our annual Business IT Conclave under the aegis of BCC&i IT Committee focuses to connect with national and international Technology leaders showcasing the potential of Bengal in emerging technologies with availability of intellectual resources and promising Startups.

The Chamber also has a newly curated IT Entrepreneurs and eCommerce National Committee, which is aimed to promote regional ecosystem of IT Entrepreneurship and eCommerce, facilitating appropriate connect of the stakeholders with potential market, collaborators, funding and other catalyzers for growth. The scope of engagements of the Committee is pan India, to begin with, and may also be internationally for creating appropriate interface.

The first edition of our annual "Tech-E-Summit" was held in Bengaluru in 2023, wherein prominent investors from Kolkata, Bengaluru and Mumbai were connected with promising startups from West Bengal. It also created a platform for Startups and Entrepreneurs from Bengal and Karnataka to discuss possible areas of collaborations, after which the Chamber received collaboration offers from various entities including banks and legal firms for supporting technology Startup Ecosystem. A sizeable delegation of Technology Entrepreneurs, Startups, VCs and Investors notably with the IT Minister of West Bengal travelled to Bengaluru to be a part of the Summit.

Continuing the spirit of the great success of connecting with the Startup community at 1<sup>st</sup> Edition of Tec-E Summit, BCC&i organized the first edition of Biz Tech Startup Quiz, in association with Manipal Academy of Higher Education (MAHE) Bengaluru in March 2024. This was a unique platform, which offered Startups to network with each other and helped to connect with Investors and successful entrepreneurs. 40 teams consisting of Startups and Startup enthusiasts participated from Hyderabad, Chennai, Mumbai, Cochin and Bengaluru.

## The Entrepreneurs'

The Chamber has created a platform to recognize and felicitate Startup-Entrepreneurs in Food & Beverage Industry and help the budding talents to create a name in the industry. The objective was to encourage dynamic, sustainable and forward thinking Startup-Entrepreneurs in Food & Beverage industry. The initiative was named 'The Rising Foodpreneurs'. The initiative has felicitated some of the Iconic Foodpreneurs and Iconic Food Brands from Food & Hospitality Sectors. The initiative also recognized budding talents from segments like Home Baker, Bakery Unit, Home Chef, Catering, Cloud Kitchen, Newly Opened Café and many more. The Entrepreneurs' Committee is also trying to facilitate Entrepreneurship at grass roots levels and also connect Entrepreneurs with proper market and funding agencies.

The committee also organizes summits that bring together visionaries, thought leaders, and entrepreneurs from across the globe. This year the committee organized Entrepreneurs' Business Summit at Bangkok, Thailand, to create Market Linkage between India and Thailand. The summit aimed to explore strategies, insights, and opportunities for entrepreneurs of India and Thailand to establish strong and sustainable market linkage of both the countries.
