onwards

Asansol Engineering College

The Bengal Chamber of Commerce and Industry organizes Discussion Forum on Ecological Sustainability in the Industrial Region- Haldia, Siliguri, Asansol and Durgapur. West Bengal Pollution Control Board joins this initiative.

The Chamber has, over the last several years, been providing a relevant and sustainable forum towards promoting clean technology access and energy and environment management. A continuous endeavour has been to focus on sustainable development and to disseminate information and educate business, industry and society about the need for balancing industrial growth with ecological stability.

The objective of the Discussion Forum is to bring together the stakeholders of Durgapur – Asansol Industrial Belt, Policy Makers and Industry Leaders to brainstorm and share the best practices and cutting edge technologies to take forward the industrial development of the State with adequate fortification towards vulnerability of ecology.

The Chamber will organize the 7th Durgapur-Asansol edition in February 2024 in Asansol.

The industries from Durgapur and Asansol industrial belt including ancillary areas in Burdwan and Bankura are to participate in the programme.
