About BCC&I

The Bengal Chamber of Commerce and Industry (https://bengalchamber.com/), is one of the oldest institutions of its kind tracing its origins to 1833. The Chamber has played a pioneering role as a helmsman, steering the evolution of Commerce and Industry in India. The Chamber reviewed and commented upon some of the most critical legislations in the country. The Bengal Chamber was involved in the conceptualization of the airport in Kolkata and the Howrah Bridge and had lobbied for creation of overland trade routes with China through Tibet. The Bengal Chamber has helped in the formation of a slew of educational and cultural institutions – Indian Institute of Management Calcutta, Indian Institute of Social Welfare and Business Management (IISWBM), Nazrul Manch and the Academy of Fine Arts apart from bringing to Kolkata the son-et-lumiere at the Victoria Memorial.

Today, The Chamber is deeply involved in areas like Healthcare, Information Technology, Education, Energy and Environment, Finance and Banking, Corporate Governance, MSME Development, Manufacturing, Infrastructure, Tourism - to name a few and has now assumed a multi-faceted role.

The Bengal Chamber's Health
Committee has been playing an important role in addressing the critical aspects in the field of healthcare in the State and has been catalytic in bringing about significant corporate consciousness in healthcare management. It has organized Panel Discussions, Lectures on Health issues by leading and iconic personalities in Health from the fraternities of doctors, entrepreneurs and policymakers. The committee also engages in Policy Advocacy.

About Mati-ta

Mati-ta Wellness & Hospitality is a next-level wellness experience Resort that provides life-changing, body-transforming, and spirit-lifting getaways. It combines sophisticated eco-living, permaculture-based self-sufficiency, and outdoor activities like hiking and climbing. The cuisine is always nutritionally balanced, and the rooms suites, and villas are ideal for the singles, couples, and families providing wellness, adventure, and relaxation.

The resort design has been evolving beyond the typical architecture and interior décor to a deeper understanding of the interdependency of nature and human beings."

You will notice how your body and mind respond slowly as you approach a Mati -ta, Your breath slows down, your muscles feel relaxed and your mind unwinds instantaneously. There is new life in the soil for everyone. There is healing in the trees for tired minds and for our overburdened spirits, there is strength in the hills, if only we will lift up our eyes. Remember that nature is your greatest restorer.

Dr. Munal Mahbub a very well-known entrepreneur, Chairman of Mati-ta
