## Experts call for UK, India collaboration to neutralise impacts of Covid-19 and climate change

Kolkata, Jun 16 (UNI) The UK and India must work together as a force for good for a clean and resilient recovery to combat the impact of Covid19 and climate change, say experts.

The British Deputy High Commission Kolkata and The Bengal Chamber of Commerce and Industry hosted an international webinar on "Building Back Better: Roadmap for Kolkata's Green Recovery" on Tuesday.

The focus of the webinar was on Kolkata's resilient recovery amidst Covid19 and Cyclone Amphan.
